Here is a little info about us:

We are a 4 mile race that begins downtown Cuba and runs about 2 miles down old Route 66. We make a loop and run back into town along the Railroad tracks which ends into our Block Party. Our event strives to keep our community healthy and fit by organizing a fun race that is for the entire family. Everyone is welcome to participate! Walkers and joggers both. All proceeds from this race go directly back into our community in the form of scholarships for HS seniors and donations to youth clubs organizations and sports teams.
